Frequently Asked Questions

Who can join?

Anyone can become a member, provided they are 18 years of age or older. Employees of Daytona Beach Kennel Club and Poker Room and those employed by vendors at the racing facility are not eligible.

How do I earn points making a wager?

You can earn points with every dollar wagered on Daytona Greyhounds, Simulcast Greyhounds, Jai-Alai, Thoroughbreds and Harness. Before placing your bets, have your card swiped by a mutuel teller at the mutuel windows. If you prefer self-service, first, establish a balance, then swipe your card through the designated slot on the United Tote self-service terminal and then place your bet.

How do I earn points playing poker?

You can earn points with every limit or no-limit poker game played. You must hand the dealer your reward card prior to taking part in a limit or no-limit poker game to ensure that the account is properly credited.

How do I know how many points I have earned?

You may check your points at the guest services counter, the poker room host station, the self-service kiosk, any United Tote E-Terminal or F-Terminal and at www.dbkcplayerscard.com.

When are my points credited to my account?

Accounts are updated at the end of each day. Total points are credited to accounts and posted on the following day after wagers are made or non-tournament poker is played.

How do I redeem my points?

Members can redeem points by visiting in person, the guest services counter, the poker room host station and the self-service kiosk. Just present your card and proper identification.

Does using the card slow down the wagering process or a poker game?

No. It only takes about two seconds to swipe the card through the United Tote reader or to hand it to the dealer prior to a poker game to automatically record your activity.

Is my account confidential?

100% Confidential. All information pertaining to your account is strictly confidential and is not available to any outside source. Daytona Beach Kennel Club and Poker Room maintains customer information exclusively for its internal use and will not sell or otherwise transfer such information to third parties.

May I share my card with family or friends?

No. Membership in the Daytona Players Card Rewards program is limited to you and use of the card may not be shared or transferred. Each member is expected to have an individual assigned membership number and corresponding card. Misuse of the card or membership will result in loss of the card, all accumulated points and any other services offered in connection with your membership.
